SALT AND LIGHT is an educational organization that encourages Christian citizens to engage in government.

We desire to serve and support local churches and invite the Pastor and/or Leadership of the local church to designate a member (or two) as their Salt & Light Church Liaison(s). Such persons will function as servant ministers to their Pastor and local church. They will:

1. Attend city-wide Salt & Light General Meetings (4 per year).
2. Represent his/her Pastor and local church at Salt & Light Meetings.
3. Share information with his/her Pastor.
4. Share information with his/her local church.
5. Facilitate voter registration in the local church.
6. Distribute voter information guides in the local church.
7. Offer to help establish a Salt & Light Citizenship Committee in the local church.
